

# Check your steps: KEEP FARMS CLEAN

## Do not pick when sick

- Use good judgement if sick.

**WHY? Your germs could make someone else sick!**

## Keep pets at home

- Pets may leave behind germs and pests.
- Pets may harm plants by digging.

**WHY? Pets can also spread germs that make people sick.**

## Keep food & drinks out

- Litter can attract unwanted pests.
- Others may be allergic.
- No gum or smoking.

**WHY? Germs can make other people sick.**

## Wash hands before & after picking

- Ask the staff where the restrooms are.
- Hand sanitizer only works if hands are NOT dirty.
- Wash with soap, water, and paper towels.
- Clean and cover cuts.

**WHY? Unwashed hands can spoil produce.**

## Kid farm safety

- Keep kids with an adult.
- Plants are not toys.

**WHY? Plants can easily be damaged.**
