

User Guide.

This map includes US Census Bureau designations of urban areas within Maryland, as well as incorporated municipalities in Maryland. Users may enter an address to see if their property is located in a designated urban area, or in an incorporated municipality.

Type an address in the Search box:

- The map will automatically zoom to the address and property.
- Properties that are within the **US Census Bureau's Urban Area** designation, and/or **incorporated municipalities** will appear in the yellow property parcel boundaries. These properties are eligible for MDA's Water and Power Infrastructure Grants.
- Properties outside the US Census Bureau's Urban Area designation and incorporated municipalities are ineligible for MDA Urban Agriculture programs.
