

The Maryland Horse Council is pleased to recognize Maryland's first state stable inspector and lifelong horsewoman, **Beverly Raymond**, for the indelible impact her long and outstanding career in the Maryland horse industry has had upon the lives of horses and horse people in Maryland; MHC honors Beverly for the foundational role she has played in the establishment and development of Maryland's thriving horse industry.

All Maryland horsemen and horsewomen, all stable owners, all vet hospital owners and staffers, and all those who served on committees over the years with Beverly are encouraged to attend this evening of memories and old friends. Proceeds will benefit MHC and the Maryland Fund For Horses.

The Maryland Fund For Horses is a new charity, established on a vision that Beverly's has held dear, that a state-wide organization would one day be established specifically for the improvement of the lives of horses and to help support equine welfare organizations throughout Maryland.
