The following is a true report of all Fertilizer distributed by this firm in the State of Maryland as required by the Maryland Commercial Fertilizer Law. Section 6-209(a) of the law requires any registrant of fertilizer(s) to report every sale for the periods of January 1 through June 30 (due July 31) and July 1 through December 31 (due January 31) of each year.

GRADE	Tons Sold	Amount Due
TOTAL (from all pages)		\$

The enclosed remittance of \$ _____ represents the full payment of Tonnage Inspection Fees due at the rate of 25 cents per ton. A check payable to the Maryland Department of Agriculture is enclosed. If the tonnage fee is not paid within 30 days after the end of the semi-annual period (June 30 and December 31) a late fee of 10% of the total due will be assessed (\$10 minimum which ever is greater). Your cancelled draft will serve as your receipt. However, if you want a receipt, check here []. If you have more products than can be recorded on this form, please use the continuation sheet. Please enter the totals on this form.

I hereby swear (or affirm) under penalty of perjury, that this is a full and correct report of the tonnage of COMMERCIAL FERTILIZER sold by this company in the State of Maryland during the period beginning:
